Additional Screening Services

Features Reference Guide

Screening Features:

The following can be ordered for either insurance or employment purposes. The reason for these screenings will determine the level of consent and visibility.

- **Motor Vehicle Reports**
- **Background Checks**
- **Drug Screening**
- **Violation Report** - The Quick Hit Driving Violation Check identifies violations by reviewing court data, certain state data, and vault records (31 states allow repurposing previously run MVR's)

Additional Features:

Customized Monthly Fleet Reporting

- ClearConnect Solutions can customize monthly reports that include FMCSA and Telematics Data.
- The reports can be scheduled to automatically update and send on whatever interval is chosen.
